- Meals per week/semester do not rollover.
- About Flex Dollars
 - Flex Dollars are a lump sum built into each of the meal plans. Flex Dollars work just like a debit card. They may be used for making additional food purchases at any dining operation. Unused balances at the end of each semester do not rollover and will not be refunded, so use your Flex Dollars wisely! If you run out of Flex Dollars before the end of the semester, you may purchase Declining Balance Dollars.
